- **Looking for investment pipeline or new markets?** See the newest and most exiting investment opportunities in start-ups showcased in 3 Pitching Dens and the Inventors Garage.
- **Looking to connect?** Schedule face-to-face entrepreneur-investor meetings, identify research collaboration partners; explore new markets and suppliers and find business partners. All of this is possible through our **Business Matching Platform** where you can condense normal prolonged business development processes into highly productive meetings over two days.
- **Engage, exchange and expand:** Debate, brainstorm and share your ideas with Thought Leaders, Experts, Start Ups, Researchers, Academia, Decisionmakers and Peers.
- **Learn, be inspired, have fun:** Attend workshops, master classes, network with more than 1500 delegates, join the After Party, be inspired by the change of scenery and ideas!
