Invitation: Annual General Meeting (AGM)

11 November 2022, 10:00-11:30

Dear representative and/or alternate of NSTF member organisations,

The [National Science and Technology Forum \(NSTF\)](#) is pleased to invite you as the main or alternate representative of a [member organisation](#) to the 2022 [NSTF AGM](#).

By law it is required to hold an AGM every year. The NSTF non-profit company is governed by the provisions of the adopted [Memorandum of Incorporation](#). It is incumbent upon a representative (either the main or alternate representative) of each NSTF [member organisation](#) to attend and ratify important decisions for the NSTF. Without enough representatives present, the NSTF cannot function. Here are the details and documentation for the meeting.

Member registration information:

Event: [2022 AGM](#)

Date: Friday 11 November 2022

Time: 10:00-11:30

Registration: Register your attendance [here...](#) You will receive an email to confirm your registration. *Ensure that you click the 'Confirm' button to be diverted to the web page containing the Zoom link.*

Apologies: Email [Mr Matome Mphela](#) by no later than 4 November 2022. *But please notify your main representative/alternate to stand in for you in case of an apology. Or sign the [proxy form](#) to authorise someone else to stand in for the representative/alternate.*

Supporting documentation:

- [Agenda](#) (Members are welcome to suggest agenda items that you wish to raise and discuss at the meeting. E-mail [Mr Matome Mphela](#) your suggestion/s for consideration.)
- [Minutes of the 2021 AGM](#)
- [CV and biography: Prof Jeffrey Mphahlele](#)
- [Audited Financial Statements 2022 \(Abbreviated\)](#)
- [Nomination and suggestion form](#) (see info at point 2 below)
- [Proxy form](#) (when someone is authorised to stand in for a member, where both the main representative and alternate are not available for the meeting)

Nominations called: As usual, we invite you to nominate:

1. **Members of the NSTF Adjudication Panel** for the [2022/2023 NSTF-South32 Awards](#). For the NSTF Adjudication Panel, we need **two individuals (main representative and alternate) for each membership sector** – [Business](#), [Civil Society and Labour](#), [Higher Education](#), [Professional Bodies and Learned Societies \(proSET\)](#), [Science Councils and Statutory Bodies](#), and [State Owned Enterprises](#) Sectors.
2. **NSTF Discussion Forums:** to submit suggestions for topics for [NSTF Discussion Forums](#) for 2023. Please complete the nomination and suggestion form by Wednesday 9 November 2022 and send it to [Mr Matome Mphela](#). All nominations will be assessed by the [NSTF Executive Committee](#) for appointment.

Should you have any queries, please do not hesitate to contact us. We look forward to your response and attendance.

Attend and make your forum work for you!

About the NSTF

The National Science and Technology Forum (NSTF), established in 1995, is a broadly-representative stakeholder body for all science, engineering and technology (SET) and innovation organisations in South Africa, which seeks to influence policy formulation and delivery.

The NSTF Awards are unique in SA, recognising the outstanding contributions of individuals and groups to SET and innovation.

The science bursaries page provides information on bursaries and bursary providers for science, engineering and related studies.

STEMulator.org attracts learners and students to the exciting world of science, technology, engineering and mathematics (STEM). It provides a virtual world full of stimulating content to excite and inform the youth, including STEM career guidance. Established under the auspices of the NSTF proSET membership sector (Professionals *in science, engineering and technology*).

Help the NSTF to fulfil its role as Non-profit Company and donate to your favourite NSTF activity (as mentioned above). NSTF is exempt from donations tax. Your donation plays a crucial role in sustaining these efforts. See the donations form on our website for more information.
